

Machine Gun Kelly - Kiss The Sky

tom:

Intro: Am F C
Am F C
Am F C

Am F
See I've been searchin' for somethin' out there

C
When is it comin'? Tell me

What to tell myself

When I drink so much that it hurts my health

Am
'Cause I stay up way too late

F
And I owe a million favors

C
I can't overstress myself

So I wrote it down to express myself

Am
I'm lookin' in the mirror tryna find

F
Peace of mind in a piece of my

C
Inspiration back from the beginning

Life's a movie, I can't make revisions

Am
At an eighth of shrooms and started trippin'
F
Had some visions that were nonexistent
C
I think I just left the solar system

Doesn't matter, I still kept the rhythm

Am
Diamonds still gon' light up like a prism

F
That's from years of grindin' independent

C
What was at the bottom now has risen

If this isn't Heaven then what is it?

Am
Always real but never realistic

F
Want the world but nothin' in specific

C
Don't need shootin' stars to grant my wishes
I'm a superstar, let's go and get it.

Am F C
Kiss the ski-i-i-i-i-ies, the sky

Am F C
Kiss the ski-i-i-i-i-ies, the sky

Am F C
Kiss the ski-i-i-i-i-ies, the sky

Am F C
Kiss the sky-y-y-y-y-y

Acordes
