

# Machine Gun Kelly - Kiss The Sky

tom:

Intro: Am F C  
 Am F C  
 Am F C

Am F  
 See I've been searchin' for somethin' out there

C  
 When is it comin'? Tell me

What to tell myself

When I drink so much that it hurts my health

Am  
 'Cause I stay up way too late

F  
 And I owe a million favors

C  
 I can't overstress myself

So I wrote it down to express myself

Am  
 I'm lookin' in the mirror tryna find

F  
 Peace of mind in a piece of my

C  
 Inspiration back from the beginning

Life's a movie, I can't make revisions

Am  
 At an eighth of shrooms and started trippin'  
 F  
 Had some visions that were nonexistent  
 C  
 I think I just left the solar system

Doesn't matter, I still kept the rhythm

Am  
 Diamonds still gon' light up like a prism

F  
 That's from years of grindin' independent

C  
 What was at the bottom now has risen

If this isn't Heaven then what is it?

Am  
 Always real but never realistic

F  
 Want the world but nothin' in specific

C  
 Don't need shootin' stars to grant my wishes  
 I'm a superstar, let's go and get it.

Am F C  
 Kiss the ski-i-i-i-i-ies, the sky

Am F C  
 Kiss the ski-i-i-i-i-ies, the sky

Am F C  
 Kiss the ski-i-i-i-i-ies, the sky

Am F C  
 Kiss the sky-y-y-y-y-y

## Acordes
