

Macklemore & Ryan Lewis - 1984

tom:
Intro: G
Standing in line (Standing in line)
As we wait outside (Waiting outside)
The rush, the high
The dance floor's open waiting for us to collide
We are king, we are queen (We are king, we are queen)
We are living a dream (Living a dream)
This is not what it seems, this is ours for the taking
You are the lady for me

And we've seen it all before
Sweat falls down to the floor
Tonight I'm all yours
Let's live like it's 1984

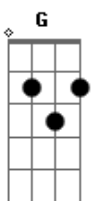

Baby, give me the green light
Don't you break my heart
Your love is a freeway
I want to ride it to the stars
I want to do this forever
You dancing in my arms
Always be yours

Just me and you on the floor
Like it's 1984

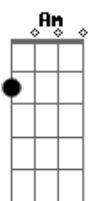

Pretty woman in a white dress (Oh-oh)
Feel like I'm drowning, need a life vest (Oh-oh)
Overdramatic, overreactive, nah, nah
You make me manic, you make me panic
And I said: Big hair, don't care
Dance like nobody else here, hell yeah
You're mine tonight, Heaven in those eyes
We won't die, let the DJ guide the night

And we've seen it all before

Fire burning in my soul-oh-oh (Oh-oh)
I don't want to be alo-oh-oh tonight
Meet me in the sky
I want to take you ho-oh-oh (Oh-oh)
Or anywhere you want to go tonight
We're running out of time
