

Macklemore & Ryan Lewis - And We Danced

Tom: C

(Am F C G)

And we danced and we cried
 and we laughed and had a really really really good time
 Take my hand let's have a blast
 And remember this moment for the rest of our lives
 (Our lives) our lives (our lives) our lives
 Oh oh oh oh oh oh oh oh oh
 Tonight (tonight) tonight (tonight) tonight
 'Cause tonight's the night

Am I right?

Dance!

Feels like night for a party
 My nature so naughty
 There's a knock on the door it's the neighbors

Quick cock blocking
 We're having a hoedown you hoes down
 Don't let me pull my hose out
 'Cause it's big long pink strong
 And known to dance like all night long

Grab my hand play this song
 DJ save my life come on
 Leave your fear back off the wall
 Free of beat and pussy pop
 If you don't have a pussy
 Bob a cock into a booty
 to a booty ay-ay-ay

And we danced and we cried
 and we laughed and had a really really really good time
 Take my hand let's have a blast
 And remember this moment for the rest of our lives

I am not I am not going to stand on the wall
 I will dance I will dance I will break that ass off
 And I see you in the corner corner looking so small
 Doing the robot like if I die tonight at least I went hard
 I will not I will not give a damn who watches me
 I will live I will live liberate the fox in me
 I will be the discoball freak and give my all
 To whatever girl's booty I'm freaking on
 I'm not skeeting nah it's just freaking hot
 Alright I skeeted
 I will not be a manikin
 The ego banish it
 The roof's on fire
 Let's burn down the vatican
 I will moon walk to Pluto in honor of Michael Jackson
 In heaven he'll be saying that man is tired dancing
 RIP to the king Michael Jackson we learned it all from you
 Dedicate this to the dance floor
 Party up the sorrow 'til tomorrow morning happens
 We pledge allegiance to the DJ put your hands up

And we danced and we cried
 and we laughed and had a really really really good time
 Take my hand let's have a blast
 And remember this moment for the rest of our lives

You see me looking at you from that bar right over there
 But your friends are all rolled up and they are hating on a
 player
 I just want to dance with you get on the back of you
 Tip tap the boots extract the truth
 Da-Dance with you get on the back of you
 Da-Dance dance dance Awesome

Oh-ee oh-ee oh
 Oh-ee oh-ee oh

Hey-oh hey-oh
 Hey-oh hey-oh

Uh-ah-ba-bo
 Uh-ah-ba-bo

And we danced and we cried
 and we laughed and had a really really really good time
 Take my hand let's have a blast
 And remember this moment for the rest of our lives
