Return of the Mack, get up! what it is, what it does, what it is, what it isnt

Looking for a better way to get up out of bed

C
Instead of getting on the internet and checking a new hit

Em D
Get up! fresh out pimp strut walking, little bit of humble, little bit of cautious

Bm C
Somewhere between like rocky and cosby sweatergang nope nope yall cant copy

Em D
Yup. Bad, moonwalking, this here, is our party, my posses been on broadway,
And we did it, our way.
Grown music, I shed my skin and put my bones into everything I record to it

Bm C
And yet Im on~
Let that stage light go and shine on down, got that Bob Barker suit game and plinko in my style.
Money, stay on my craft and stick around for those pounds, But I do that to pass the torch and put on for my town

Chasing dreams since I was 14 with the four track bussing halfway cross that city with the backpack, fat cat, crushing

Labels out here,
Nah they cant tell me nothing
We give that to the people,
Spread it across the country
Labels out here,
Nah they cant tell me nothing
We give it to the people,
Spread it across the country

Em D
Can we go back, this is the moment
Bm C
Tonight is the night, well fight till its over
Em D

So we put our hands up like the ceiling cant hold us
Bm C
like the ceiling cant hold us
Can we go back, this is the moment
Tonight is the night, well fight till its over
So we put our hands up like the ceiling cant hold us
like the ceiling cant hold us

Bm
Nah, can I kick it? thank you. yeah Im so damn grateful.
I grew up, really wanted gold fronts
But thats what you get when wu tang raised you
Yall cant stop me, go hard like I got an 808 in my heart beat
And Im eating at the beat like you gave a little speed to a great white shark on shark week
Raw. Tell me go up. Gone!
deuces goodbye. I got a world to see, and my girl she wanna see Rome,
Ceasar make you a believer. nah I never ever did it for a throne.
that validation comes from giving it back to the people. nah sing a song and it goes like
Raise those hands, this is a party
We came here to live life like nobody was watching
I got my city right behind me
If I fall, they got me then from that failure gain humility and then we keep marching ourselves

Can we go back, this is the moment
Tonight is the night, well fight till its over
So we put our hands up like the ceiling cant hold us
like the ceiling cant hold us
Can we go back, this is the moment
Tonight is the night, well fight till its over
So we put our hands up like the ceiling cant hold us
like the ceiling cant hold us

na na na na na na na na
and all my people say

Ma-kle-more
