I'll be patient, one more month

You'll wrap your fingers round my thumb

Times are changing, I know, but who am I if

I'm the person you become

I'm still growing up, up, up, up

I'm still growing up

I'll be patient, one more month

You'll wrap your fingers round my thumb

Times are changing, I know, but who am I if

I'm the person you become

If I'm still growing up, up, up, up
