

Macucos - Foi Assim

Tom: Bb

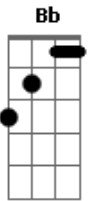

Haverá uma luz
 No infinito pra se ver
 Haverá um lugar
 Aonde a gente irá se conhecer
 Haverá um desejo, uma canção
 Esperando nós dois além do mar
 Haverá sempre um novo amanhecer
 Enquanto o sol brilhar

Foi assim
 Que encontramos a paz
 Naquele bom lugar
 Que Jah deixou
 Tudo é lindo, tudo é natural
 Que até a natureza se encantou
 Que a natureza até se encantou
 A chorar sentiu
 O quanto a vida é boa
