

# Mad Caddies - Dont Go

Tom: C

C G  
I saw your face in a photo today  
Am F G  
Took me back to a time that I loved so  
C G  
One thing remains that still gives me pain  
Am F G  
The fact that I never got to say don't go

Refrão:

C G Am F G  
Don't go  
C G Am F G  
Don't go Don't go

Am  
Dark days fell upon this town that year  
G Am  
I remember the sordid talk and tears  
Am  
A scarlet letter was sewn onto you long ago  
G Am  
But the way you felt no one will ever know  
G Am  
Turn on the radio and that song would play  
G F G  
Oh how the irony when I look back on that day

Refrão:

C G Am F G

C G Don't go  
Am F G  
Don't go Don't go  
Am  
Late at night you would tell me that it would all be fine  
G Am  
Realized that our doubts weren't just mine  
Am  
We would sit and contemplate just what to do  
G Am  
But I never thought it would be without you  
G Am  
Turn on the radio and that song would play  
G F G  
Oh how the irony when I look back on that day

Refrão:

C G Am F G  
Don't go  
C G Am F G  
Don't go Don't go

C G  
Now you're gone so I'll say  
Am F G  
Our lives you changed  
C G  
And I know my friend  
Am F  
that I'll see you once again
