

Mad Caddies - Reflections

Tom: C

Am Dm Am
I'm lost again out on the highway
Am Dm Am
Searching for answers that I fear
Am Dm E
And it couldn't be much clearer
Am E Am
When objects in the mirror
Am E Am
Are closer than they appear.

Am Dm Am
My mind is definitely twisted
Am Dm Am
can't let go of the past

Am Dm
And there is no one left to blame
Am E
when the lights all look the same
Am E Am
And reflections disappear so fast.

Refrão:

E Dm
Road signs ahead are long overdue
E Dm E
Now there's direction to let go is on you
Am Dm Am Dm
Let go let go child, let go let go child
Am Dm Am E
Let go let go child now
Am Dm Am Dm
Let go let go child, let go let go child
Am Dm Am E
Let go let go child now

Am Dm Am

The stars hang bright above the mountain
Am Dm Am
While the sun gently sleeps in the sea.

Am Dm
I will keep my eyes ahead
Am E
Let what's done be done be dead.
Am E Am
And release the pressure haunting me

Am Dm Am
Dark cold night back in the distance
Am Dm Am
With a brand new day up ahead.

Am Dm
I will keep my dream alive
Am E
Forward I will strive
Am E Am
So reflections can't catch up with me.
