

# Mad Caddies - Whatcha Gonna do

Tom: Gb

Layin' awake again and I don't know what's happening

I'm setting sail on unknown seas

and I'm haunted by insecurities, oh no

I'm standing on the edge of dream

Colliding with the light of this real life scene

And I don't feel a thing until the pain comes

And when it's all said and done would I just cut and run

Sometimes I'm so numb I don't know

If it happened tonight would I stand and fight

or would I just let go

[Chorus:]

Whatcha gonna do when it's on you boy

Abm Db B

Whatcha gonna say when it's no no more

Gb Bbm

Whatcha really gonna do when it's all through boy

Abm Db B Gb

Whatcha gonna say when it's over now

Gb Abm Bbm

Gb

Maybe it's the time of the year

but I don't feel my soul shine

Gb Bbm

Locked up inside and floating on the cheap wine

But there's a smell in the air

and I swear something's there

Abm

Blowing in on a California night

B

So if it's all gone and I can't go on

Well I'm sure as hell not ready to die

Abm Db

[Chorus]

## Acordes
