

# Mad Season - Long Gone Day

Tom: G

So much blood I'm starting to drown  
 Runs from cold to colder  
 Time to time the sky's come down  
 To help me lose my way  
 Tears and lies for answers  
 You and open veins  
 God knows I'm gone, girl I just  
 Want you to, come on down  
 Lord it's a storm and I'm heading to fall  
 These sins are mine and I've done wrong  
 Oh babe come on down come on down my babe

Long gone day  
 Mmmm, who ever said We wash away with the rain  
 See you all from time to time  
 Isn't it so strange  
 How far away we all are now  
 And i'm the only one who remembers that  
 Summer ohhhh, I remember

Everyday each time the place was  
 Saved, The music that we  
 Made, The wind has carried all of that away  
 Long gone day  
 Mmmm, who ever said we wash away with the rain  
 ( Gbm A B )  
 So many tears I'm starting to drown  
 The rain's in heaven's all come down  
 Silver spoons affix the crown  
 The luckless ones are broken  
 Fears and lies for answers  
 You and open flames  
 God knows I'm gone  
 And I just want you to come on down, hmmm  
 Lord it's a storm am I heading to fall  
 These sins are mine and I've done wrong  
 I want you to, oh, I just want you to come on down  
 ( Gbm A B )  
 I fear again, like then, I've lost my way  
 And shout to God to bring my sunny days

## Acordes
