

# Mad Tsai - I'm In Love With Stacy's Brother

tom:  
 Gm  
 I've been hanging out with Stacy  
 Everybody thinks we're dating  
 Cause' I spend my weekends  
 Hanging at her house  
 She's a part of the cheer team  
 Top of her class and she's prom queen  
 When we study chemistry  
 She unbuttons her blouse

But I got a secret I must confess  
 It's not her laugh or the way she'd dress  
 She's not the reason I've been  
 Thinking 'bout love  
 Every weekend when we hangout  
 I lose my cool when he's around  
 And I don't know if this is just a crush  
 How do I find  
 The words to tell her?  
 I'm in love with Stacy's brother
