I kinda got the warning when I saw my dad in your eyes

Uncomfortable without all you handy dandy herbal disguise Eb

When I kiss you, I taste your blues Ebm

Why won't you hold me? I'll hold you too

Bb

I lived so long with someone so uncomfortable in their mind D

They fed themselves a little poison every day to survive Eb

And that's not like you, at least I thought Ebm

That night I told you, I tried to talk but Cm

It didn't come out how I wanted F

(It didn't come out how I wanted) Cm

I wish I could've just been honest F

Bb

This is why I broke up with you D

Do you realize you're too high to care? Eb

And I'm saying this with nothing to lose Ebm

'Cause I know that you're not really there Bb

I only get you half of the time

D

Your eyes are glossed over again Eb

I only like you when you're in your right mind Ebm

And babe that's only now and then Bb

This is why I broke up with you, you, you D

EB Ebm

You, you, you

Bb

Honestly it's only weed it isn't even that bad D

But every word is like an echo of a memory I had Eb

Your empty promises, the stop and go Ebm

The way we played pretend was kind of gross Cm

You know the truth is weighing heavy F

(You know the truth is weighing heavy) Cm

'Cause I've been through this already F

Bb

This is why I broke up with you D

Do you realize you're too high to care? Eb

And I'm saying this with nothing to lose Ebm

'Cause I know that you're not really there Bb

I only get you half of the time D

Your eyes are glossed over again Eb

I only like you when you're in your right mind Ebm

And babe that's only now and then Bb

This is why I broke up with you, you, you D

EB Ebm

You, you, you

You, you, you D
