

Madeline The Person - Why I Broke Up With You

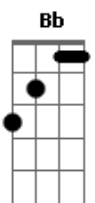

tom:
Bb

I kinda got the warning when I saw my dad in your eyes
Uncomfortable without all you handy dandy herbal disguise
When I kiss you, I taste your blues
Why won't you hold me? I'll hold you too
I lived so long with someone so uncomfortable in their mind
They fed themselves a little poison every day to survive
And that's not like you, at least I thought
That night I told you, I tried to talk but
It didn't come out how I wanted
(It didn't come out how I wanted)
I wish I could've just been honest

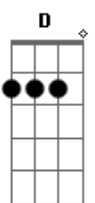

This is why I broke up with you
Do you realize you're too high to care?
And I'm saying this with nothing to lose
'Cause I know that you're not really there
I only get you half of the time

Your eyes are glossed over again
I only like you when you're in your right mind
And babe that's only now and then
This is why I broke up with you, you, you
You, you, you

Honestly it's only weed it isn't even that bad
But every word is like an echo of a memory I had
Your empty promises, the stop and go
The way we played pretend was kind of gross
You know the truth is weighing heavy
(You know the truth is weighing heavy)
'Cause I've been through this already
This is why I broke up with you
Do you realize you're too high to care?
And I'm saying this with nothing to lose
'Cause I know that you're not really there
I only get you half of the time
Your eyes are glossed over again
I only like you when you're in your right mind
And babe that's only now and then
This is why I broke up with you, you, you
You, you, you
You, you, you
This is why I broke up with you, you, you
You, you, you
This is why I broke up with you
