Tom: **D**

Dbm
I followed my heart into the fire

B
Got burned, got broken down by desire

A
I tried, I tried but the smoke in my eyes

G
Left me blurry, blurry and blind

Dbm
I picked all the pieces up off the ground

B
Got dirt on my fingers but that's gone now

A
Got the glue in my hands and sticking to the plan

G
To the plan that says: I can

Em
Do anything at all

D
I can do anything at all

Dbm
This is my kiss goodbye

B
You can stand alone and watch me fly

A
Cause nothing's keeping me down

Gonna let it all out

G
Come on and say right now, right now, right now

Dbm
This is my big hello

B
Cause I'm here and never letting go

A
I can finally see, it's not just a dream

G
When you set it all free, all free, all free

Em **D**
Set it all free

Dbm
I was a girl caught under your thumb

B
But my star's gonna shine brighter than your sun

A
And now I reach so high and shoot so far

G
Gonna hit, gonna hit, hit every target

Em
Make it count this time

D
I will make it count this time

Dbm
This is my kiss goodbye

B
You can stand alone and watch me fly

A
Cause nothing's keeping me down

Gonna let it all out

G
Come on and say right now, right now, right now

Dbm
This is my big hello

B
Cause I'm here and never letting go

A
I can finally see, it's not just a dream

G
When you set it all free, all free, all free

Em **D**
Set it all free

Em **D**
When you set it all free

Dbm
This is my kiss goodbye

B
You can stand alone and watch me fly

A
Cause nothing's keeping me down

Gonna let it all out

G
Come on and say right now, right now, right now

Dbm
This is my big hello

B
Cause I'm here and never letting go

A
I can finally see, it's not just a dream

G
When you set it all free, all free, all free

Em **D**
Set it all free
(Set it all free)

Em **D**
Just set it all free
(Just set it all free)

Dbm
