

# Madilyn Mei - Dress Like a Pirate

tom:

C (forma dos acordes no tom de A )

Capostrate na 3ª casa

What if I woke up and decided

I wanna dress like a pirate

I'm pretty tired of folding clothes

Every day down at Target

Well maybe someday I'll sail the sea

Glad I woke to write this song

If it makes me enough money

I'll be gone gone gone gone gone

Don't wanna spread any hate

Or do much plunderin to you

Just wanna map that may or may not

Lead me to buried moola

Oh I blame it all on my dad

He'd always urge me to play along

Making movies in the backyard

Oh my heart is too far gone

Well maybe someday I'll sail the sea

Be the hero of my own tale

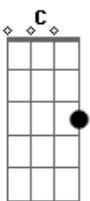

If I die before then maybe

I'll reincarnate as a whale

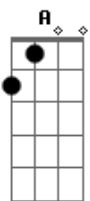

Where's my green flag

D7
