

Madison Beer - Dead

Tom: E

[Verse]

You could be here, but you're there

You could be anywhere and these days I don't even care no more

You only be showing me love whenever you've had too much

Whatever's been filling your cup, no more

[Pre-Chorus]

Baby, no more showing up when you're not sober

At my front door just to say you're alone tonight

Yeah, tryna fuck me and my mind up

It's a reminder you're a liar and you know I'm right

[Chorus]

You say you can't live without me

So why aren't you dead yet?

Why you still breathing?

If you say you can't live without me

Then why aren't you dead yet?

Why do you say that?

[Verse]

You could be here but you're not, I give whatever you want

But you just take it and run, you run (oh run, run)

And I give you so many shots but you just drinkin' 'em all

You never give it a thought, oh lord (yeah)

[Pre-Chorus]

Baby, no more showing up when you're not sober (sober)

At my front door just to say you're alone tonight (alone tonight)

Yeah, tryna fuck me and my mind up

It's a reminder you're a liar and you know I'm right

[Chorus]

You say you can't live without me

So why aren't you dead yet?

Why you still breathing?

[Bridge]

Why, why, why, why?

Why, why, why, why?

Why, why, why, why?

Why aren't you dead yet?

Be careful what you say

Say only what you mean

Mean to me then you're nice

You're nice, you're nice

It's nice to know you now

Now that it all went down

Down on your knees you cry

You cry, you cry, yeah

[Chorus]

You say you can't live without me

So why aren't you dead yet?

Why you still breathing?

If you say you can't live without me

Then why aren't you dead yet?

Why do you say that?

[Outro]

Why, why, why, why?

Why, why, why, why?

Why, why, why, why?

Why aren't you dead yet?

Why, why, why, why?

Why, why, why, why?

Why, why, why, why?

Why aren't you dead yet?

Acordes
