

# Madison Beer - Fools

tom:

There you go  
Getting so overly comfortable, baby  
Does it ever cross your mind?  
Like oh no, she wants to be in somebody else's photos  
On the low-low

[Pré-Refrão]

You don't know what I'm thinking, you don't even try  
Whatever you've been drinking has got you out of your mind like  
I know you've been hurting, and I know I'm the reason why

[Refrão]

Don't you know, baby?  
Only fools stick around when the love is gone  
Don't you know, baby?  
Only fools stick around when the love is all gone  
Don't you know, baby?

Hey, I just fool around  
Babe, such a fool for me (fool for me)  
'Cause only fools stick around  
When the love is all gone

[Segunda Parte]

You walk a hundred miles  
And wait a while for somebody  
Who don't even smile  
Does it ever cross your mind?  
Like oh Lord  
She don't want to dance with the same man, no more  
Are you so sure?

[Pré-Refrão]

You don't know what I'm thinking, you don't even try  
Whatever you've been drinking has got you out of your mind like  
I know you've been hurting, and I know I'm the reason why

[Refrão]

Don't you know, baby?  
Only fools stick around when the love is gone  
Don't you know, baby?  
Only fools stick around when the love is all gone  
Don't you know, baby?

Hey, I just fool around  
Babe, such a fool for me (fool for me)  
'Cause only fools stick around  
When the love is all gone

[Ponte]

There you go  
Getting so overly comfortable, baby

Don't you know, baby?  
Hey, I just fool around  
Babe, such a fool for me (fool for me)  
'Cause only fools stick around  
When the love is all gone  
Don't you get that baby?
