

Madison Beer - Good In Goodbye

tom:

Intro: Bm Gb Bm Gb

[Primeira Parte]

You got blood on your hands
How do you plead

Boy it's like treason how you treated me

It's eight Mondays in a row

Nine days of the week

These tantrums been old old

All bitter no sweet

[Pré-Refrão]

You're killing my vibe

In ways words cannot describe

But I'll try I'll try

[Refrão]

You put the over in lover put the ex in next
Ain't no I in trouble just the U since we met

Cause you're toxic boy

I ain't even gotta try to find the

You put the over in lover put the ex in next
Ain't no I in trouble just the U since we met

Cause you're toxic boy

I ain't even gotta try to find the

[Ponte]

I would take a bullet for you just to prove my love

Only to find out you are the one holding the gun

I'm just tryna get focus take some time for me

People started to notice all the shit you couldn't see

[Refrão]

You put the over in lover put the ex in next
Ain't no I in trouble just the U since we met

Cause you're toxic boy

I ain't even gotta try to find the
