

Madison Beer - Selfish

tom:

Intro: A Dbm D Dm

Boy, you're such a lost cause

Now your name is crossed off

How you gonna fix this?

You can't even fix yourself

It was almost two years

That I chose to spend here

All alone on New Year's

Thinkin': what the Hell?

I don't wanna break your thread

A needle tryna stitch you

But I can't, I refuse

I shouldn't love you, but I couldn't help it

Had a feeling that you never felt it

I always knew that you were too damn selfish

Don't know why I looked the other way

I wanted you to change, yeah

I shouldn't love you, but I couldn't help it

I always knew that you were too damn selfish

(A Dbm D Dm)

I bet you thought you gave me real love

But we spent it all in nightclubs

All you ever wanna do is lie

Why you always such a Gemini?

Baby, who you tryna run from?

Me or all your problems?

You know you will never solve 'em

You don't even know yourself

I don't wanna break your thread

A needle tryna stitch you

But I can't, I refuse

I shouldn't love you, but I couldn't help it

Had a feeling that you never felt it

I always knew that you were too damn selfish

Don't know why I looked the other way

I wanted you to change, yeah

I shouldn't love you, but I couldn't help it

I always knew that you were too damn selfish

(I don't wanna break your thread

A needle tryna stitch you

But I can't, I refuse)

But it's not possible

Plus I'm not responsible

For your self-made obstacles

Put my heart in the hospital, woah, woah-oh

I shouldn't love you, but I couldn't help it

Had a feeling that you never felt it

I always knew that you were too damn selfish

Don't know why I looked the other way

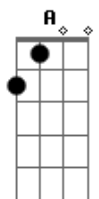

I wanted you to change, yeah

I shouldn't love you, but I couldn't help it

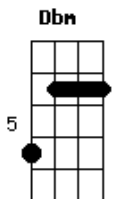

I always knew that you were too damn selfish

(A Dbm D Dm)
