Do I have to change my name?
Will it get me far?
Should I lose some weight?
Am I gonna be a star?
I tried to be a boy,
I tried to be a girl
I tried to be a mess,
I tried to be the best
I guess I did it wrong,
That's why I wrote this song
              Dbm
This type of modern life - Is it for me?
This type of modern life - Is it for free?
So, I went into a bar looking for sympathy
A little company - I tried to find a friend
It's more easily said it's always been the same
              Dbm
This type of modern life -Is not for me?
              Dbm
This type of modern life -Is not for free?
             Dhm
Oh American life (american life)
                      Dbm
I live the american dream (american dream)
                            Dbm
You are the best thing I've seen,
                    Dbm
You are not just a dream (american life)
I tried to stay ahead,
I tried to stay on top
I tried to play the part,
                  Dbm
But somehow I forgot
Just what I did it for
And why I wanted more
             Dbm
This type of modern life - Is it for me?
This type of modern life - Is it for free?

Am I gonna be a star?

Ah ah ah ah

I'm drinking a Soy latte I get a double shot It goes right through my body And you know I'm satisfied, I drive my mini cooper And I'm feeling super-dooper Yo they tell I'm a trooper And you know I'm satisfied I do yoga and pilates And the room is full of hotties So I'm checking out the bodies And you know I'm satisfied I'm digging on the isotopes This metaphysic's shit is dope And if all this can give me hope You know I'm satisfied I got a lawyer and a manager An agent and a chef Three nannies, an assistant And a driver and a jet A trainer and a butler And a bodyguard or five A gardener and a stylist Do you think I'm satisfied? I'd like to express my extreme point of view I'm not Christian and I'm not a Jude

I'm just living out the American dream

And I just realized that nothing Is what it seems

Do I have to change my name Am I gonna be a star Do I have to change my name Am I gonna be a star? Do I have to change my name
