

# Madonna - Bad Girl

Tom: C

Something's missing  
and I don't know why  
I always feel the need  
to hide my feelings from you  
Is it me or you that I'm afraid of  
I tell myself I'll show you  
what I'm made of  
Can't bring myself to let you go

Don't want to cause you any pain  
But I love you just the same  
And you'll always be my baby  
In my heart  
I know we've come apart  
And I don't know where to start  
What can I do?  
I don't wanna feel blue

Bad girl drunk by six  
Kissing someone else's lips  
Smoked too many cigarettes today  
I'm not happy when I act this way  
Bad girl drunk by six  
Kissing some  
kind stranger's lips  
Smoked too many cigarettes today  
I'm not happy  
I'm not happy

Something's happened and I can't go back  
I fall apart every time  
you hand your heart out to me  
What happens now  
I know I don't deserve you  
I wonder how  
I'm ever gonna hurt you  
Can't bring myself to let you go

I don't want to cause you any pain  
But I love you just the same  
And you'll always be my baby  
In my heart  
I know we've come apart  
And I don't know where to start

What can I do?  
I don't wanna feel blue

Bad girl drunk by six  
Kissing someone else's lips  
Smoked too many cigarettes today  
I'm not happy when I act this way  
Bad girl drunk by six
