

Madonna - Deeper and Deeper

Tom: Bb

Intro: Cm7 F7 G

(Cm7 F7 G)

Deeper and deeper and
Deeper and deeper
Sweeter and sweeter and
Sweeter and sweeter

I can't help falling in love

I fall deeper and deeper the further I go

Kisses sent from heaven above

They get sweeter and sweeter the more that I know

When you know the notes to sing

You can sing most anything

That's what my mama told me

Round and round and round you go

When you find love you'll always

I let my father mold me

Daddy couldn't be all wrong

(Not gonna let you slip away, I'm gonna let you slip away

I'm gonna be there

And my mama made me learn this song

(You're gonna bring your love me

I'm gonna get you) that's why

I can't help falling in love

I fall deeper and deeper the further I go

Kisses sent from heaven above

They get sweeter and sweeter the more that I know
The further I go

All is fair in love she said

Think with your heart, not with your head

That's what my mama told me

All the little things you do

Will end up coming back to you

I let my father mold me

I can't help falling in love

I fall deeper and deeper the further I go

Kisses sent from heaven above

They get sweeter and sweeter the more that I know

Someone said that romance was dead

And I believed it instead of remembering

What my mama told me

Let my father mold me

The you tried hold me

You remind me what they said

This feeling inside

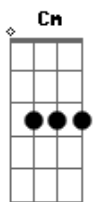

I can't explain

But my love is alive

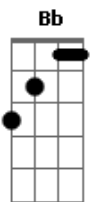

And I'm never gonna hide it

again
