

# Madonna - Don't Tell Me

Tom: **G**

Intro: dução

Tell the rain not to drop  
Tell the wind not to blow  
'Cause you said so, hmmm

Tell the sun not to shine  
Not to get up this time, no, no  
Let it fall by the way  
But don't leave me where I lay down

Verse:

Don't tell.....

Refrão  
Tell me love isn't true  
It's just something that we do  
Tell me everything I'm not  
But please don't tell me to stop

Tell the rain...

Tell the leaves not to turn  
But don't ever tell me I'll learn, no, no  
Take the black off a crow  
But don't tell me I have to go

Tell the wind...

Tell the bed not to lay  
Like the open mouth of a grave, yeah  
Not to stare up at me  
Like a calf down on its knees

Cause you said so...

Refrão  
(Ao invés de cantar "But please don't tell me to stop" como na primeira vez, cante "But don't ever tell me to stop")

(Don't you ever)  
Please don't  
Please don't  
Please don't tell me to stop

Repita isso na música inteira, menos no refrão.  
Os acordes da música inteira, inclusive o refrão, são D, Am, C, G.

(Don't you ever)  
Don't you ever  
Don't ever tell me to stop  
(Tell the rain not to drop)  
Tell the bed not to lay  
Like a open mouth of a grave, yeah  
Not to stare up at me  
Like a calf down on its knees

Letra

Don't tell me to stop
