And maybe then you'll know your love is real
Express yourself
(You've got to make him)
Express himself
Hey, hey, hey, hey
So if you want it right now, make him show you how
Express what he's got, oh baby ready or not
And when you're gone he might regret it
Think about the love he once had
Try to carry on, but he just won't get it
He'll be back on his knees
To express himself
(You've got to make him)
Express himself
Hey hey
What you need is a big strong hand
To lift you to your higher ground
Make you feel like a queen on a throne
Make him love you till you can't come down
