

Madonna - I Love New York

Tom: C

F G A F G A

I don't like cities, but I like New York

Other places make me feel like a dork

Los Angeles is for people who sleep

Paris and London, baby you can keep

Baby you can keep (repeat 8x)

[Chorus:]

Other cities always make me mad

Other places always make me sad

No other city ever made me glad

I love New York

F G A

I love New York

If you don't like my attitude, then you can F-off

Just go to Texas, isn't that where they golf?

New York is not for little pussies who scream

If you can't stand the heat, then get off my street
