

# Madonna - Impressive Instant

Tom: C

**Am**  
 Universe is full of stars  
 Nothing out there looks the same  
 You're the one that I've been waiting for  
 I don't even know your name

**G** **Am**  
 I'm in a trance  
**G** **Am**  
 I'm in a trance

**Am**  
 Cosmic systems intertwine  
 Astral bodies drip like wine  
 All of nature ebbs and flows  
 Comets shoot across the sky  
 Can't explain the reasons why  
 This is how creation goes

**Am**  
 I don't want nobody else  
 All the others look the same  
 Galaxies are sliding into view  
 I don't even know your name

**G** **Am**  
 I'm in a trance  
 And the word is spinning  
 Spinning baby out of control

**G** **Am**  
 I'm in a trance  
 I let the music take me  
 Take me where my heart wants to go

(x 2)  
**Am**  
 Kiss me  
 Kiss me  
 Kiss me  
 Kiss me

**Am**  
 I like to singy singy singy  
**Am**  
 Like a bird on a wingy wingy wingy  
**Am**  
 I like to rhumba rhumba rhumba  
**Am**  
 Dance to a samba samba samba  
 Solo: **Am**
