

# Madonna - Into The Groove

Tom: C

Am-G-F                      Am-G-F                      Am-G-F                      Am-  
 G-F                      And you can dance,                      for inspiration,                      come on,  
 I'm waiting !  
 (REFR. 1 =)  
 Am                      G                      F                      G                      Am                      G  
 F G                      Get up on your feet, yeah, step to the beat, boy, what  
 will it be.  
 Am                      G                      F G                      G  
 1. Music can be such a revelation,  
 Am                      G                      F                      G  
 dancing around you feel the sweet sensation.  
 Am                      G                      F                      G  
 We might be lovers, if the rhythm's right,  
 Am                      G                      F                      G  
 I hope this feeling never ends tonight.

(REFRAIN 2 =)                      Am                      F                      G  
 Only when I'm dancing can I feel this free.  
 Am                      At night I lock the doors, where no one else can see,  
 Am                      F                      G  
 I'm tired of dancing here all by myself.  
 Am                      F                      G  
 Tonight I wanna dance with someone else.                      REFRAIN 1  
 2.                      Am                      - G                      F                      G  
 Gonna get to know you                      in a special way.  
 Am                      G                      F                      G  
 this doesn't happen to me every day.  
 Am                      G                      F                      G  
 Don't try to hide it, love wears no disguise,  
 Am                      G                      F                      G  
 I see the fire burning in your eyes.                      REFRAIN 2  
 REFRAIN 1  
 Am                      G                      F                      G                      Am                      G                      F                      G  
 Am  
 3. Live out your fantasy here with me, just let the music set  
 you free.  
 G                      F                      G                      Am                      G                      F  
 - G  
 Touch my body, and move in time, now I know you're mine.
