

# Madonna - Mother and Father (Acústica)

Tom: C

**Dm** **C** **G**  
 There was a time I was happy in my life  
**Dm** **C** **G**  
 There was time I believed I'd live forever  
**Dm** **C** **G**  
 There was a time that I prayed to Jesus Christ  
**Dm** **C** **G**  
 There was a time I had a mother it was nice

**Am** **Dm** **G**  
 Oh mother why aren't you here with me  
**Am** **Dm** **G**  
 No one else saw the things that you could see  
**Am** **Dm** **G**  
 I'm trying hard to dry my tears  
**Am** **Dm** **G**  
 Yes father you know I'm not so free

**Dm** **C** **G**  
 Nobody else would ever take the place of you  
**Dm** **C** **G**  
 Nobody else could do the things that you could do  
**Dm** **C** **G**  
 No one else I guess could hurt me like you did  
**Dm** **C** **G**  
 I didn't understand I was just a kid

**Am** **Dm** **G**  
 Oh mother why aren't you here with me  
**Am** **Dm** **G**  
 No one else saw the things that you could see  
**Am** **Dm** **G**  
 I'm trying hard to dry my tears  
**Am** **Dm** **G**  
 Yes father you know I'm not so free

**Am**  
 I got to give it up  
**Dm** **G**  
 Find someone to love me  
**Am**  
 I got to let it go  
**Dm** **G**  
 Find someone that I can care for  
**Am**  
 I got to give it up  
**Dm** **G**  
 Find someone to love me  
**Am**

I got to let it go  
**Dm** **G**  
 Find someone that I can care for  
**Am**  
 My mother died when I was five  
**Dm** **G**  
 And all I did was sit and cry  
**Am**  
 I cried and cried and cried all day  
**Dm** **G**  
 Until the neighbours went away  
**Am**  
 They couldn't take my loneliness  
**Dm** **G**  
 I couldn't take their phoniness  
**Am**  
 My father had to go to work  
**Dm** **G**  
 I used to think he was a jerk  
**Am**  
 I didn't know his heart was broken  
**Dm** **G**  
 And not another word was spoken  
**Am**  
 He became a shadow of  
**Dm** **G**  
 The father I was dreaming of  
**Am**  
 I made a vow that I would never need another person ever  
**Dm** **G**  
 Turned my heart into a cage a victim of a kind of rage

**Am** **Dm** **G** (2X)  
**Am**  
 I've got to give it up  
**Dm** **G** **Am**  
 Find somebody to love  
**Dm** **G**  
 Find someone that I can care for

**Am**  
 I got to give it up  
**Dm** **G**  
 I got to give it up  
**Am**  
 I got to give it up  
 I got to give it up  
**Dm** **G**  
 I got to give it up

## Acordes
