

Madonna - Mother and Father (Acústica)

Tom: C

Dm C G
 There was a time I was happy in my life
 Dm C G
 There was time I believed I'd live forever
 Dm C G
 There was a time that I prayed to Jesus Christ
 Dm C G
 There was a time I had a mother it was nice
 Am Dm G
 Oh mother why aren't you here with me
 Am Dm G
 No one else saw the things that you could see
 Am Dm G
 I'm trying hard to dry my tears
 Am Dm G
 Yes father you know I'm not so free
 Dm C G
 Nobody else would ever take the place of you
 Dm C G
 Nobody else could do the things that you could do
 Dm C G
 No one else I guess could hurt me like you did
 Dm C G
 I didn't understand I was just a kid
 Am Dm G
 Oh mother why aren't you here with me
 Am Dm G
 No one else saw the things that you could see
 Am Dm G
 I'm trying hard to dry my tears
 Am Dm G
 Yes father you know I'm not so free
 Am
 I got to give it up
 Dm G
 Find someone to love me
 Am
 I got to let it go
 Dm G
 Find someone that I can care for
 Am
 I got to give it up
 Dm G
 Find someone to love me
 Am

I got to let it go
 Dm G
 Find someone that I can care for
 Am
 My mother died when I was five
 Dm G
 And all I did was sit and cry
 Am
 I cried and cried and cried all day
 Dm G
 Until the neighbours went away
 Am
 They couldn't take my loneliness
 Dm G
 I couldn't take their phoniness
 Am
 My father had to go to work
 Dm G
 I used to think he was a jerk
 Am
 I didn't know his heart was broken
 Dm G
 And not another word was spoken
 Am
 He became a shadow of
 Dm G
 The father I was dreaming of
 Am
 I made a vow that I would never need another person ever
 Dm G
 Turned my heart into a cage a victim of a kind of rage
 Am Dm G (2X)
 Am
 I've got to give it up
 Dm G Am
 Find somebody to love
 Dm G
 Find someone that I can care for
 Am
 I got to give it up
 Dm G
 I got to give it up
 Am
 I got to give it up
 I got to give it up
 Dm G
 I got to give it up
