

# Madonna - One More Chance

Tom: G  
Intro:

Verso 1:

I turned around too late to see the fallen star  
I fell asleep and never saw the sun go down

I took your love for granted  
Thought luck was always on my side  
I turned around too late and you were gone

So give me one more chance  
Darling' if you care for me  
Let me win your love  
Cause you were always there for me  
If you care for me, Be there for me

I like to play the queen of hearts and never thought I'd lose  
I rolled the dice but never showed my hand

I planned it out so perfectly,  
So you'd never leave a girl like me  
I was a fool, but now I understand

So give me one more chance  
Darling' if you care for me  
Let me win your love  
Cause you were always there for me  
If you care for me, Be there for me

Here is the law of the land  
You play with fire and you'll get burned  
Here is the lesson I've learned  
That you don't know what you've got till it's gone

So give me one more chance  
Darling' if you care for me  
Let me win your love  
Cause you were always there for me  
Gimme one more chance  
Tell me that it's not too late  
Let me win your love  
Darling' please don't hesitate

If you care for me,  
Be there for me  
Give me one more chance
