

# Madonna - Rain

Tom: Bb

I feel it, it's coming

Chorus:

Rain, feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain, wash away my sorrow

Take away my pain

Your love's coming down like rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard, I know it's real

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top till I feel your

Chorus

When you looked into my eyes

And you said goodbye could you see my tears

When I turned the other way did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun till I feel your (chorus)

Here comes the sun, here comes the sun

And I say, never go away

(C F G) Waiting is the hardest thing [It's strange I feel like I've know you before]

I tell myself that if I believe in you [And I want to understand you]

In the dream of you [More and more]

With all my heart and all my soul [When I'm with you]

That by sheer force of will [I feel like a magical child]

I will raise you from the ground [Everything strange]

And without a sound you'll appear [Everything wild]

And surrender to me, to love

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top till I feel your

Chorus

Rain, I feel it, it's coming

Your love's coming down like (repeat)

Chorus

Rain, I feel it, it's coming

Your love's coming down like (repeat)
