

Madonna - Ray of Light

Tom: Bb
Intro: Bb Cm Dm Eb x3
Bb Eb x6

(Bb Eb)
Zephyr in the sky at night - I wonder
Do my tears of mourning sink beneath the sun
She's got herself a universe - gone quickly
For the call of thunder threatens everyone
And I feel like I just got home... and I feel
And I feel like I just got home... and I feel
Faster than the speeding light - she's flying
Trying to remember where it all began
She's got herself a little piece of heaven
Waiting for the time when Earth shall be as one
And I feel like I just got home... and I feel
And I feel like I just got home... and I feel
Quicker than a ray of light
Quicker than a ray of light
Quicker than a ray of light
