

# Madonna - Rescue Me

Tom: G

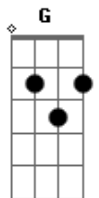

Em I'm talking, I'm talking I believe in the power of love  
 Em I'm singing, I'm singing I believe that you can rescue me  
 A With you I'm not a little girl with you I'm not a man  
 Em When all the hurt inside of me comes out, you understand  
 A You see that I'm ferocious you see that I am weak  
 Em You see that I am silly and pretentious and a freak  
 A But I don't feel too strange for you don't know exactly what you do  
 Em I think when love is pure you try to understand the reasons why  
 A And I prefer this mystery it cancels out my misery  
 Em And gives me hope that there could be a person that loves me  
 Chorus:  
 Em Rescue me it's hard to believe your love has given me hope  
 Em Rescue me it's hard to believe I'm drowning, baby throw out your rope  
 A With you I'm not a fascist can't play you like a toy  
 Em And when I need to dominate you're not my little boy  
 A You see that I am hungry for a life of understanding  
 Em And you forgive my angry little heart when she's demanding

A You bring me to my knees while I'm scratching out the eyes  
 Em Of a world I want to conquer and deliver and despise  
 A And right while I am standing there I suddenly begin to care  
 Em And understand that there could be a person that loves me  
 (chorus)  
 C7 Love is understanding it's hard to believe  
 Bm7 Em Life can be so demanding  
 C7 Bm7 Em I'm sending out an SOS  
 Am Stop me from drowning baby I'll do the rest  
 (chorus)  
 (Em ) Ooh ahh love is understanding  
 Ooh ahh love is understanding  
 Em D A Love is understanding it's hard to believe  
 A Life can be so demanding  
 Em D I'm sending out an SOS  
 A Rescue me, rescue me  
 (Em ) It's not my business to decide how good you are for me  
 How valuable you are and what the world can see  
 Only that you try to understand me and have the courage  
 To love me for me  
 Em D I believe in the power  
 A I believe that you can rescue me
