

Madonna - Runaway Lover

Tom: G

Am G D
 You lost your reputation on a woman
 Am G D
 You didn't understand or care to
 know
 Am G D
 You get your education from your lovers
 Am G D
 But now there's just no place for you
 to go

(Chorus)

Am
 It doesn't pay
 G D
 To be a runaway lover
 Am
 It doesn't pay
 G D
 To give away what you lack
 You'll never get your money back

(Am G D again in this part)

You're set adrift with no direction
 Just like a ship that's lost at sea
 You don't care where you drop your

anchor
 Make sure it doesn't land on me

(Chorus)

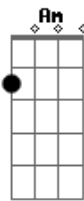

Chorus)
 Am
 It doesn't pay
 G D
 To be a runaway lover
 Am
 It doesn't pay
 G D
 To give away what you lack
 You'll never get your money back

Am G
 Walking around on a cloud
 D
 Cause every girl you meet just trips
 on you
 Am G
 Saying your name out loud
 D
 I guess you met your match
 Am D
 Now what will you do
