

Madonna - Turn Up The Radio

Tom: D

When the world starts to get you down
 And nothing seems to go your way
 And the noise of a maddening crowd
 Makes you feel like you're going to go insane
 There's a glow of a distant light
 Calling you to come outside
 To feel the wind in your face and your skin
 And it's here I begin my story
 Turn up the radio
 Turn up the radio
 Don't ask me where I wanna go
 We gotta turn up the radio
 It was time that I opened my eyes
 I'm leaving the past behind
 Nothing's ever what it seems
 Including this time and this crazy dream
 I'm stuck like a moth to a flame
 I'm so tired of playing this game
 I don't know how I got to this stage
 Let me out of my cage cause I'm dying
 To turn up the radio
 Turn up the radio
 Don't ask me where I wanna go
 We gotta turn up the radio
 Turn up the radio
 Turn up the radio
 Don't ask me where I wanna go

We gotta turn up the radio
 I just wanna get in my car
 I wanna go fast and I gotta go far
 Don't ask me to explain how I feel
 Cause I don't wanna say where I'm going
 Turn up the noise and turn up the volume
 Don't have a choice
 Cause the temperature's pounding
 If leaving this place is the last thing I do
 Then I want to escape
 With a person just like you
 Buzzing around like a moth to a flame
 I'm so sick and tired of playing this game
 We gotta have fun if that's all that we do
 Gotta shake up the system
 And break all the rules
 Gotta turn up the radio
 Until the speakers blow!
 Turn up the radio
 Turn up the radio
 Don't ask me where I wanna go
 We gotta turn up the radio
 Turn up the radio
 Turn up the radio
 There's some things you don't need to know
 Just let me turn up the radio
 Turn up the radio
 Let me turn up the radio
 Let me turn up the radio
