

Madrugada - What's On Your Mind

Tom: G

Verse 1:

Em
You were at my door

I heard you knocking but I didn't care at all

I had been in all night just staring at the wall

I didn't really want to see you any more

Coming from the road

You took your coat off and you threw it on the floor

You said 'I can't believe you wanna hurt me so'

I said 'I'm not supposed to be like this you know'

Well I just had to let you go

Chorus:

G D Em
What's on your mind?

G D Em
When you're lost in time

G D C
What's on your mind, tell me why

Em
Why does it have to be this way?

Verse 2:

Em
You were in that dream

That I was dreaming I was dreaming in a dream

Your nylon dress and I was floating back downstream

I wanted love to come and swallow everything

Solo: (Em Em D Em)

Em
Everything gets real

Sooner or later, it doesn't matter how you feel

You slam that door shut on the night of glass and steel

I cannot blame you for believing what you believe

Well I just had to let you go

Chorus:

G D Em
What's on your mind?

G D Em
When you're lost in time

G D C
What's on your mind, tell me why

Am
Why does it have to be this way?

Bridge:

C
Why do you always stay

G
Miles away?

D
And two steps behind

Am
Where the past is still living

C
Beautiful and forgiven

G
Do you not see?

D
That you're living a dream

Eb
Hey
