Intro: E

Too much watching TV  
It's gonna rot you from the inside out  
If you wanna reach me  
Just leave a message and we'll work it out  
( Gb Db )

Hello? How are you?  
Just wanted to say  
I miss you, so call me  
F#7M Db  
Back someday

If you wanna be clean  
You gotta scrub until blood comes out  
Get the spots in between  
Slip your skin right off and hang it out  
( F#7M C#7M )

Look out  
Behind you  
F#7M C#7M  
The shadows are near  
They know what's been wrong with you  
Fm Dbm Gbm  
All these years

It's time to meet  
The monsters around you  
It's time to meet  
Oh  
The monsters inside you  
It's time to meet  
( Gb Dbm Db )

All that's left to bother me  
Are dreams forgotten in the deep  
It's not me  
Nothing left to follow me  
Nothing hanging underneath  
It's not me

C#7M Db
