

Maggie Koerner - Dig Down Deep

Tom: A

m

Intro: C Am C Am C Am E

Well you come up slowly

My windpipe again and all of a sudden

I cannot breathe

But I can now feel those words taking over

The lines in my face

And now too consumed from abusing the

Privilege of you

What do you saaaay once in the light of day

What do youu find once give in to time

So I dig, so I dig, deep in the belly of my

Soul

Dig down deep, deep deep deep

Deep in the belly where I lay

(C Am)

Where I lay

Where I lay

Oh Barcelona

So alone with the thoughts of my heart and my

Head instead would align I'd be fine I

Think so

So I say to the lorde, no

And I say to the devil I am done

'Cuz I know there's a shelter waiting on me

When I'm home

What do youu saaaaay once in the light of

Day

What do youu fiiind once give in to time

So I dig, so I dig, down in the belly of my

Soul

Dig down deep, deep deep deep

Deep in the belly where I lay

No what did I say

Oh release you from my soul

Oh I give to you

So I dig, so I dig, deep in the belly of my

Soul

Dig down deep, deep deep deep

Deep in the belly where I lay

So I dig, so I dig, deep in the belly of my

Soul

So I dig, so I dig

Deep deep deep

And all of a sudden I cannot breathe

I cannot breathe

And all of sudden I cannot breathe

Ooooooooooooooooooh

Acordes
