

# Maggie Rogers - Light On

Tom: A

(forma dos acordes no tom de G )  
Capostrate na 2ª casa

Would you believe me now  
If I told you I got caught up in a wave, almost gave it away  
Would you hear me out  
If I told you I was terrified for days, thought I was gonna break  
Oh, I couldn't stop it, tried to slow it all down  
Crying in the bathroom, had to figure it out  
With everyone around me saying, "You must be so happy now"  
Oh, if you keep reaching out, then I'll keep coming back  
And if you're gone for good, then I'm okay with that  
If you leave the light on, then I'll leave the light on

And I'm finding out, there's just no other way  
That I'm still dancing at the end of the day  
If you leave the light on, then I'll leave the light on  
And do you believe me now  
That I always had the best intentions, babe? Always wanted to stay  
Can you feel me now  
That I'm vulnerable in oh-so many ways? Oh, and I'll never change  
Oh, I couldn't stop it, tried figure it out  
But everything kept moving and the noise got too loud  
With everyone around me saying, "You should be so happy now"  
Oh, leave the light on  
Oh, would you leave the light on
