

# Maggie Rogers - Overnight

tom:

**Eb**

[Primeira Parte]

**Eb**

I remember way back, late night, throwback

Sitting on the front lawn, talking

**Ab**

When I lost it, and oh, I lost it

**Eb**

I remember you were saying you would come back, run back

Find me on the front porch like that

**Ab**

But you waited, so I got wasted

[Pré-Refrão]

**Cm**

And I've always said

**Eb**

**Ab**

I'd never let myself hold on this long

[Refrão]

**Cm7**

**Bb**

'Cause people change overnight

**Ab**

Things get strange, but I'm alright

**Cm**

**Bb**

I'm still here, and I'm still high

**Ab**

And I'll still meet you in the middle of the night

But if you lie to me, lie to me, lie to me

I'm gone

[Segunda Parte]

**Eb**

I still wonder if I called you, what would I do?

**Ab**

Leave a too-long voicemail that I hate and then erase it

Like I planned it

**Eb**

And I wonder if I still lived in the city, would I see you at a party?

**Ab**

Take a big sip of my whiskey and then leave quickly

And pray you missed me

[Pré-Refrão]

**Cm**

**Eb**

And though I still know exactly how this ends

**Ab**

I keep holding on

[Refrão]

**Cm7**

**Bb**

'Cause people change overnight

**Ab**

Things get strange, but I'm alright

**Cm**

**Bb**

I'm still here, and I'm still high

**Ab**

And I'll still meet you in the middle of the night

You know, I'll meet you in the middle of the night

But if you lie to me

**Bb**

I'm gone

[Ponte]

**Cm**

**Bb**

Oh, I feel it in me, please forgive me

**Ab**

Leave this memory, don't say you miss me

**Cm**

**Bb**

I know it's still in me, please forgive me

**Ab**

Leave this memory, don't say you miss me

[Refrão]

**Cm**

**Bb**

'Cause people change overnight

**Ab**

Things get strange, but I'm alright

**Cm7**

**Bb**

I'm still here, and I must still be high

**Ab**

'Cause I'll still meet you in the middle of the night

But if you lie to me, lie to me

**Cm**

**Bb**

Change overnight

**Ab**

Things get strange, but I'm alright

**Cm7**

**Bb**

I'm still here, and I must still be high

**Ab**

But I'll still meet you in the middle of the night

Oh, if you meet me in the middle of the night

You know, I'll meet you in the middle of the night

But if you lie to me, lie to me, yeah, lie to me

I'm gone
