

Magic Man - Paris

Tom: D
Intro: Em G D A

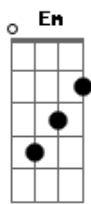

Em G
Jetlag, been in a state of disaster
Ever since I left you the last time Bm
I saw you just fade away A
Em G
Now I get lost, tracing my steps back
It cost nearly everything that Bm
I'm not ready to lose today A
Em D A
No I'm not ready to lose everything I know, I'm letting go of
Em G
Paris, you know I held on too much
D A
I left you at the station, I put you in my past
Em G
And now darling, all that shit's behind us
A
You never have to wonder, you never have to ask.
You never have to
Em G
Drink up every last drop and
Shake off the feeling that you're watching me now Bm
I should have just told the truth. A
Em G
But sweetheart, listen to the way I
Bm
Cannot forget a single day I
Spent rolling all around the room with you.
It's just a fantasy, taking over like a disease
Pull me out of this I can't breath

It's burning through my chest
Em G
A fantasy, taking over like a disease
Bm
Pull me out of this I can't breath
A
I just need a rest from
Em G
Paris, you know I held on too much
D A
I left you at the station, I put you in my past
Em G
And now darling, all that shit's behind us
D
A
You never have to wonder, you never have to ask.
You never have to
Em G
It's just a fantasy, taking over like a disease
Bm
Pull me out of this I can't breath
A
It's burning through my chest
Em G
A fantasy, taking over like a disease
Bm
Pull me out of this I can't breath
A
I just need a rest
Bm
No I'm not ready to lose you again Em Dm A
Oh Paris, you know I held on too much Em G
I left you at the station, I put you in my past D A
And now darling, all that shit's behind us Em G
A
You never have to wonder, you never have to ask.
Em G D A
You never have to
