

Magic Man - Paris

Tom: D
Intro: Em G D A

Em G
Jetlag, been in a state of disaster

Bm A
Ever since I left you the last time

A
I saw you just fade away

Em G
Now I get lost, tracing my steps back

Bm A
It cost nearly everything that

A
I'm not ready to lose today

Em D A
No I'm not ready to lose everything I know, I'm letting go of

Em G
Paris, you know I held on too much

D A
I left you at the station, I put you in my past

Em G
And now darling, all that shit's behind us

D
A
You never have to wonder, you never have to ask.

A
You never have to

Em G
Drink up every last drop and

Bm A
Shake off the feeling that you're watching me now

A
I should have just told the truth.

Em G
But sweetheart, listen to the way I

Bm
Cannot forget a single day I

A
Spent rolling all around the room with you.

A
It's just a fantasy, taking over like a disease

Em G D A
Pull me out of this I can't breath

A
It's burning through my chest

Em G
A fantasy, taking over like a disease

Bm
Pull me out of this I can't breath

A
I just need a rest from

Em G
Paris, you know I held on too much

D A
I left you at the station, I put you in my past

Em G
And now darling, all that shit's behind us

D
A
You never have to wonder, you never have to ask.

A
You never have to

Em G
It's just a fantasy, taking over like a disease

Bm
Pull me out of this I can't breath

A
It's burning through my chest

Em G
A fantasy, taking over like a disease

Bm
Pull me out of this I can't breath

A
I just need a rest

Em Dm A
No I'm not ready to lose you again

Em G
Oh Paris, you know I held on too much

D A
I left you at the station, I put you in my past

Em G
And now darling, all that shit's behind us

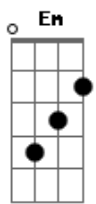

D
A
You never have to wonder, you never have to ask.

Em G D A
You never have to
