

Magic Man - Paris

Tom: D
Intro: Em G D A

Em G
Jetlag, been in a state of disaster
Ever since I left you the last time Bm A
I saw you just fade away A

Em G
Now I get lost, tracing my steps back
It cost nearly everything that Bm A
I'm not ready to lose today A

Em D A
No I'm not ready to lose everything I know, I'm letting go of
Paris, you know I held on too much G
I left you at the station, I put you in my past D A
And now darling, all that shit's behind us Em G
You never have to wonder, you never have to ask. D A
You never have to A

Em G
Drink up every last drop and
Shake off the feeling that you're watching me now Bm A
I should have just told the truth. A

Em G
But sweetheart, listen to the way I
Cannot forget a single day I Bm
Spent rolling all around the room with you.

It's just a fantasy, taking over like a disease
Pull me out of this I can't breath

It's burning through my chest
Em G
A fantasy, taking over like a disease
Pull me out of this I can't breath Bm
I just need a rest from A

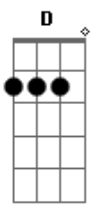

Em G
Paris, you know I held on too much
I left you at the station, I put you in my past D A
And now darling, all that shit's behind us Em G
You never have to wonder, you never have to ask. D A
You never have to A

Em G
It's just a fantasy, taking over like a disease
Pull me out of this I can't breath Bm
It's burning through my chest A

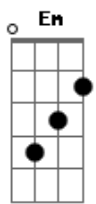

Em G
A fantasy, taking over like a disease
Pull me out of this I can't breath Bm
I just need a rest A Bm

Em Dm A
No I'm not ready to lose you again
Oh Paris, you know I held on too much Em G
I left you at the station, I put you in my past D A
And now darling, all that shit's behind us Em G
You never have to wonder, you never have to ask. A
You never have to Em G D A
