

Magic! - Kiss Me

Tom: A

[Refrão]

Kiss me darling
A|-one more time

With everything
That you have inside

Kiss me darling
A|-one more time

'Cause love's the only
Thing we leave behind

[Primeira Parte]

I've been thinking about my life
A lot these days
As I'm stumbling through the paths

That I have made
Wondering where did

I put my time and energy
'Cause what I wanted, girl
Means nothing now to me

[Pré-Refrão]

I want to share with you
I want to bear with you
I want to care for you
I want to be there for you

I want to stare at you
Like nobody's there but you
So hurry up, hurry up

[Refrão]

Kiss me darling
A|-one more time

With everything
That you have inside

Kiss me darling
A|-one more time

'Cause love's the only
Thing we leave behind

[Segunda Parte]

Said I've been thinking about my life
For all these nights
As I'm wishing on the stars
Up in the sky
Wondering where does our love fit
In this design
Did I [?] your light right next to mine?

[Pré-Refrão]

I want to share with you
I want to bear with you
I want to care for you
I want to be there for you
I want to stare at you
Like nobody's there but you
So hurry up, hurry up

[Refrão]

Kiss me darling
A|-one more time
With everything
That you have inside
Kiss me darling
A|-one more time
'Cause love's the only
Thing we leave behind

[Outro]

Kiss me darling, a-one more ti-me
Kiss me darling, a-one more ti-me
Kiss me darling, a-one more ti-me

Said kiss me, yeah, kiss me, darling
Kiss me darling, a-one more ti-me

'Cause it feels so right
Kiss me darling, a-one more ti-me

I want to feel it
Kiss me darling, a-one more ti-me

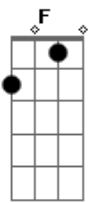

I want to feel it
