Tom: Bb

(Pra tocar os solos e montar os acordes dessa cifra, afinar a 6ª corda em ré)

Intro: Gm Cm F Dm Gm Cm F

Solo Intro:

Parte 1

Parte 2

Primeira Parte:

Hey, baby, baby  
 Your heart's too big  
 To be treated small  
 So please don't blame me, blame me  
 For trying to be the one  
 Who could have it all  
 You know that it's stupid, stupid  
 Telling you it's dark  
 When you see the light  
 And I know you ain't foolish, foolish  
 Just give me one chance  
 I could treat you right  
 So I say

Refrão:

Will I ever be too far away  
 When you feel alone  
 No way, no  
 Will I ever back down my sword  
 To protect our home  
 No way, no  
 Will I ever spend a day not  
 Telling you you're beautiful  
 No way, no  
 No way, no way, no  
 No way, no way, no

Segunda Parte:

My sister, sister  
 Told me that love ever hits your eyes  
 I promise you'll miss her, miss her

The second that she walks  
 Right out your sight  
 So we should just do it  
 'Cause I don't want to risk  
 Her being right  
 Let's not be foolish  
 Don't you know that family never lies  
 I promise that

Refrão:

Will I ever be too far away  
 When you feel alone  
 No way, no  
 Will I ever back down my sword  
 To protect our home  
 No way, no  
 Will I ever spend a day not  
 Telling you you're beautiful  
 No way, no  
 No way, no way, no  
 No way, no way, no

Solo:

Parte 1

Parte 2

Terceira Parte:

Hey, lady, lady  
 Life's too short to be waiting long  
 So let's not waste it, waste it  
 When we both know you're the one  
 Refrão:  
 Will I ever be too far away  
 When you feel alone  
 No way, no  
 Will I ever back down my sword  
 To protect our home  
 No way, no
