Tom: G

Ritmo: ??????????

G D Em
C
I am a sinner, as cold as the winter. She is the sun, she is the queen of love

G D Em C
I am a burden, always uncertain. She is a raft, only believes in us

G D Em C
C
And I know that she cries by the red in her eyes She's been waiting for signs that never come

C
All she ever really wanted was...

G D
One woman, one man
Em C
That's all that she asks

G D
No other demands
Em C
One woman, one man, yeah

G D Em C
I am a loser, I only confuse her. She is the sail, no matter

where we go

G D
Tradition in her veins, passed down. The way I live is far too gone

Em C
Oh I wish it wasn't so (Lord I wish it wasn't so)

G D Em C
