

# Magic! - Red Dress

Tom: Bb

(com acordes na forma de G )

Capostrate na 3ª casa

She's tried on everything  
 Every little thing inside her closet  
 And she knows it's getting late  
 Knows that I been waiting and I'm starving  
 Cause we been working overtime  
 She wants to make a night that we'll remember  
 And I'm staring at the time  
 Thinking it's alright, put on whatever  
 But I've been on my best behaviour  
 Pacing back and forth  
 And 10 thousand lifetimes later  
 When she walks through the door  
 I said hey you with the red dress on  
 I gotta find a way to take it off  
 I got a lot of love and it's growing strong  
 When I see you with your red dress on  
 You in that red dress  
 You in that red dress  
 Yeah, it's hard to concentrate

Finish up your plate, she whispers to me  
 But I got one thing on my mind  
 As they pour the wine and it's consumes me  
 But I've been on my best behaviour  
 Not to cause a scene  
 But when we finally get home later  
 It's just you and me  
 I said hey you with the red dress on  
 I gotta find a way to take it off  
 I got a lot of love and it's growing strong  
 When I see you with your red dress on  
 You in that red dress  
 You in that red dress  
 I said hey you with the red dress on  
 I said hey you with the red dress on  
 I said hey you with the red dress on  
 I gotta find a way to take it off  
 I got a lot of love and it's growing strong  
 When I see you with your red dress on  
 You in that red dress  
 You in that red dress
