Magical Jillian - Sweet Lovely Sunshine

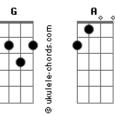

Take it off all your sadness Forget the tears of last night Birds in the window coloring this morning Cheer up (3x)Clouds in the blue sky Like angels calling you to see this splendor Wake your tired soul and I'll show you How to live this Sparkly day We can seat in the rainbow While we're eating cotton candy We can run amoung the trees with an unicorn

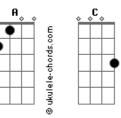

But first you have To open your door and say Hello sunshine Hello sun! (virada da música 2x - A G D) A revolution in your heart A pink mushroon has to be planted in your mind dip into a different song and complete with a smile (repete o G e D) Live with me G This sweet Lovely sunshine (3x)
