

# Mahalia - Do Not Disturb

Tom: G

Do not, do, do  
Do not, do, do, do

[Verso 1]

I remember how it started  
Back at the end of May  
It was such a lovely day  
I was in a small cafe  
I was in no way guarded  
I let you come invade my space  
Didn't know how much you'd take  
Gave too much of myself away

[Pré-Refrão]

You done really messed me up like that (Oh yeah, yeah, yeah)  
Came and stole my heart, oh, that's a fact (Oh yeah, yeah, yeah)  
Boy, I think it's time I took it back (Ah)  
I don't wanna see you callin' me, asking where I'm at

[Refrão]

This time, this time I won't hold the line  
Been givin' you time that you do not deserve  
No, you're not mine, you just pretend to be  
Don't need you tempting me with your alerts  
Do not disturb  
I'm putting myself on do not disturb

[Verso 2]

These ain't the words you wanted  
I got nothing left to prove  
Every time I let you ring  
It's like I get deja vu  
I don't care what you promised (Promised)  
I don't care what you say (Nah)  
Should've never let you in  
That was my last mistake

[Pré-Refrão]

You are the reason I put myself on do not disturb

You done really messed me up like that (Oh yeah, yeah, yeah)  
Came and stole my heart, oh, that's a fact (Oh yeah, yeah, yeah)  
Boy, I think it's time I took it back  
I don't wanna see you callin' me, asking where I'm at

[Refrão]

This time, this time I won't hold the line  
Been givin' you time that you do not deserve  
No, you're not mine, you just pretend to be  
Don't need you tempting me with your alerts  
Do not disturb  
I'm putting myself on do not disturb

[Ponte]

The sign on the door says do not, do not, do not disturb  
Do not disturb, do not, do not, do not disturb  
Won't give you time you do not, do not, do not deserve  
Don't wanna think about you  
Don't wanna think about you (Ah)

[Refrão]

This time, this time I won't hold the line  
Been givin' you time that you do not deserve  
No, you're not mine, you just pretend to be  
Boy, are you gettin' me?  
Do not disturb

This time, this time I won't hold the line  
Been givin' you time that you do not deserve  
No, you're not mine, you just pretend to be  
Don't need you tempting me with your alerts  
Do not disturb (Do not, do)  
I'm putting myself on (Do not, do) do not disturb (Do not, do)  
The sign on the door says (Do not, do) do not disturb (Do not, do)  
I need you to stay gone  
I don't wanna speak  
Don't call me, don't text me, uh uh

You are the reason I put myself on do not disturb
